

The Circle Game - Margaret Atwood

[DOWNLOAD HERE](#)

The appearance of Margaret Atwood's first major collection of poetry marked the beginning of a truly outstanding career in Canadian and international letters. The voice in these poems is as witty, vulnerable, direct, and incisive as we've come to know in later works, such as Power Politics, Bodily Harm, and Alias Grace. Atwood writes compassionately about the risks of love in a technological age, and the quest for identity in a universe that cannot quite be trusted. Containing many of Atwood's best and most famous poems, The Circle Game won the 1966 Governor General's Award for Poetry and rapidly attained an international reputation as a classic of modern poetry.
