I feel like I'm about to pass out, but that won't do much for my new reputation as a non-dork, so I bury my head in the Book instead. There's not much there, really just the senior portrait of every girl in my class, and below each photo, space for me to record her measurements once I get her measurements, that is. From his flute-playing prowess to his nerdy reputation, Kevin Mopsely epitomizes uncool. When popular jock Brandon Trent appoints Kevin to compile the Book of Bustsa record of the bust, waist, and hip measurements of every senior girl Kevin fears he's out of his league. The Book, however, is the key to his popularity, so Kevin accepts the challenge uncovering much more than he bargained for in the process. Busted is a hilarious and provocative debut that tackles the intricate issues of first love, testosterone-laden peer pressure, feminism, and "GRRL power" with a fresh and unique voice that will appeal to both male and female teenage readers.
