In Fabulous Small Jews, the best-selling author Joseph Epstein has produced eighteen charming, magical, and finely detailed stories. They are populated by lawyers, professors, scrap-iron dealers, dry cleaners, all men of a certain age who feel themselves adrift in the radically changed values of the day. Epstein's richly drawn characters are at various crossroads and turning points in their lives: bitter Seymour Hefferman, who anonymously sends scathing postcards to writers until he gets caught; Moe Bernstein, who, inspired by his grandson, decides to attend to his own health after long delay; divorc Artie Glick, who wants to marry his pregnant girlfriend. Fabulous Small Jews is a marvelous collection from a master of the short form.
