Google plus Share Lock is a WordPress plugin that uses content lockers and a traffic pop feature to force your visitors to +1 your content before it can be viewed. You can place as many as you like on any post or page. It doesnt matter! You can even place them on a download page to force a +1 before your customer or prospect can download a product or free report you might have! Basically, anywhere you can think of! Checkout some of the awesome features of this plugin.. - A traffic pop up box complete with optional timer and close button - Add the URL you want visitors to +1 - Force your visitors to +1 your content before entering your site - 7 content lockers to hide your content within any post or page Includes 7 different skins to fit your design and style.. Easy short-code setup right from WP editor - Add any message into the content box that you want to display All this in a single plugin and more
