Made for Two Heroes Madison Hayes Book 3 in the Made for Two series. Lieutenant Lacey Meadows wants Jason Orlov in the worst possible way. But after losing her last lover in an enemy attack, she's never going to put all her eggs in one basket again. She wants two lovers or nothing at all. Lieutenant Jason Orlov has been in love with Lacey since he first saw her face in a drawing. But he's not going to share her with another man. As a former Ibeeza Boy, he can barely tolerate a man's touch, even when it's casual. And because of his past, he refuses to be anybody's sex toy ever again. As their commanding officer, with complete authority over the two lieutenants, Junkie forces them together while planning to satisfy his own hunger for Lacey as the third member of the ménage à trois. He's only in it for the sex, for as long as it lasts. Of course, he wasn't counting on wanting it to last forever. Reader advisory: This book contains a scene of sexual exhibitionism.
