Welcome to Bradford... where young boys are disappearing. A gripping tale of a horror and suspense, and a young boy's fight for survival. Twelve year old Billie Porter unearths a mystery that is best left buried in the empty white caskets scattered throughout Bradford's cemetery. His quest for answers leads him to his grandfather Pop, a WWII hero, who suffers from dementia. Pop weaves dark tales of a town's sinister past, abandoned coal mines and the creatures that dwell within. His tales are just that... until yet another empty white casket is planted in the ground. When his little brother Georgie mysteriously disappears, Billie turns to his grandfather, the only person who would ever believe him. Together, they embark on a rescue mission that takes them deep down into the abandoned coal mines of Pennsylvania. There, a town's evil secret is revealed, and a young boy is forced to become a man.
