BIGZ-is a bold and powerful lyricist with a Mack 10 meets Marilyn Manson style... DEBUT artist form Colorado's newest label--PHARMACY MUSICK.DON'T SLEEP ON THIS ONE..... 17 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: White-Boy Rap Details: The man known as BIG-CHRIS is an undisputed heavyweight in the ring of extreme, hardcore hip hop and rap music. He is known as an accomplished recording artist, rap producer and studio engineer. The legacy began in 1997 when BIG-CHRIS dropped his first demo "Street Merchant". Although it was an immature attempt at what Chris drops on a daily basis now, it was still a solid foundation for Chris' "Charlie Manson meets Mack 10" style he is known, loved, and hated for. After the Street Merchant E.P. Bigz dropped several singles in which he wrote, produced, and engineered himself. These singles eventually led to Chris being offered several different recording contracts. One of these offers came from long time business associate, James Meyers, of Pharmacy Musick. BIG-CHRIS siezed that opportunity and within 2 months, Pharmacy Musick had put hundreds and hundreds of promo E.P.'s from Chris' latest studio ventures on the streets. With overwhelming response to the E.P., Chris is currently filling prescriptions at the Pharmacy for everyone who wants more. He is currently working side by side with other Pharmacy Musick talents such as Seven, Jak Trippa, Spliff, and Phallon Sinnis. The full length debut album of this Colorado legend hit stores in September 2004. You stay sick, BIG-CHRIS The Pharmacist has your prescription ready.
