

Mp3 Biggs - Oneironaught

[DOWNLOAD HERE](#)

A mix of downtempo, IDM, experimental electronic music that is lush, soothing, and sometimes dark and scary. Fans of Boards of Canada, Aphex Twin and anyone from Warp Records will enjoy this album. 16 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Down Tempo Details: Biggs is an anomaly from Las Vegas, Nevada. Growing up in Sin City shaped his creative life even without knowing it. A true artist, Biggs dabbles in Music, Fine Arts, Video, Graphic Design, and anything he can get his hands on for experimentation. Influenced by his friends, favorite artists, movies and life he writes his music as an expression of emotions and moods he was feeling. Even writing songs that he hears in his dreams. The debut album, Oneironaught is a score and soundtrack through the dreams of Mike Biggs. Some are pleasant and comforting....some are scary and dark. The album shows Biggs' attention to detail in the textures and layers of lush soundscapes that stick in your mind. Push play, sit back and tune out.
