

Mp3 Brandi Haile - Your Favorite Stranger

[DOWNLOAD HERE](#)

Melodic, organic, southern gothic, alt-folk, with lyrics that defy the gravity of genre. 10 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: brandi haile began making music at age 7, on the organ in a kentucky funeral parlor in her small hometown. it didn't take long for her to realize that people looking upon their dead loved ones, would rather not hear her playing "yankee doodle" or "hot cross buns" and thus she eventually began creating her own compositions and is now a "singer/songwriter" living in nashville, tn.
