Folk/Rock/Jazz/Soul 9 MP3 Songs FOLK: Folk Pop, ROCK: Acoustic Details: "The vocals are solid, and many strong harmonies can be found throughout the album. His versatility in music and depth in lyrics is excellent." -The Biola University Chimes Christopher James fluently blends pop, folk, jazz, and soul with honest, real, and thought-provoking lyrics. Performing in such diverse cities as New York and Los Angeles, Christopher creates a unique sound that crosses listening barriers. Whether solo or with his band, Christopher's high-energy performances command the listening ear. His vocals have been described as carrying both "fluidity and power to them" and his musical style touches everything from Motown rhythms to Celtic melodies. With his first full length album, "Beautiful People", released independently on Give2Live Records Christopher James continues to impact the music scene with his genre-colliding sound.
