New up and coming artist displaying a traditional style of Conjunto with a twist today's conjunto. 10 MP3 Songs LATIN: Conjunto, LATIN: Tejano Show all album songs: El Cumbiambero Songs Details: Conjunto Aviso is one of West Texas up and coming groups. This high energy group formed 2000 in Lamesa, Tx has taken Conjunto to another level. Their music which is a mixture of traditional and today's Conjunto has taken everyone in West Texas by storm! Not only has their unique sound caught the attention of people, but also their rowdy stage presence. Conjunto Aviso is one of few known groups not only to bring the people to the stage, but takes the stage to the people. Running on wireless receivers, Conjunto Aviso performs through crowds bringing them to their feet. After several years and opening up for some major recording artist, Conjunto Aviso has also caught the attention of recording label DISCOS JOEY in San Antonio. Their debut album EL CUMBIANDERO has hit stores which is sure to be a hit. So remember, when Conjunto Aviso comes to town you can't say you haven't been warned because the name says it all
