7 piece pop rock band with unique instrumentation such as harmonica, violin, piano, and guitar. Incorporating influences of jazz, R B, Mowtown, Classical, and even Reggae. 12 MP3 Songs POP: Today's Top 40, ROCK: Acoustic Show all album songs: Fly to June Songs Details: Detagoh (pronounced Day-Tah-Go) is a hip band with an admittedly strange name. The name Detagoh is a combination of cities/states where the members of the band are originally from, DETroit, ChicAGO and oHio. Detagoh infuses the unique sound of violin and harmonica with piano and guitars to create an exciting sound that is catchy and appealing to a wide and diverse audience. The music can be described as pop rock with a bluesy, sometimes country-sounding, element. The best way for you to determine what type of music they play is to experience Detagohs sound and decide for yourself. A young group of veterans, Detagoh has played many high profile gigs including throughout the Chicagoland area including: headlining at House of Blues Chicago, Taste of Chicago, opening for Stephen Kellogg and the Sixers and many more. Detagoh is a band with catchy, original music, and the unique ability to take a cover song and make it their own.
