Global Warming ain't got nuthin on the scorchin hot cabin rock comin out of Fairbanks, Alaska. 13 MP3 Songs ROCK: Jam-band, ROCK: Roots Rock Details: This recording by GaNgLy MoOsE is the first studio recording in 7 years. And it is the first recording to feature Michael Dattola (who has been playing with us for almost 7 years) on percussion. We were also thrilled to have some other good friends/fantastic musicians sitting in on several of the tracks.
