This is the kind of music we think of when we hear it described as "Country". 12 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Folk Details: These are songs that were written by Gary as long as 30 years ago. Anyone who appreciates and listens to the country artists of the 50's and 60's will recognize the style and the feeling that inspired the lyrics and the melodies of this cd. Many of us of the "Baby Boomer" persuasion can all remember hearing songs like these on the family radio. And it's refreshing to hear them now with Gary's style on the 12 string guitar and the classic back-up harmonies of his wife, Jane, and friend, Gordon Brugman. So click on Empty Feeling, the first track, and prepare to kick back and enjoy every song. But even if you skip a few in between, don't miss "Luther". Don't forget to visit New Rain's other CD's on cdbaby: Sexual Sofa and Each Other's Side. New Rain has a very diverse style that seems to blend several genres and does justice to them all.
