We at Granite are proud to offer this CD on CDBABY. Jerry has included a song that all country fans will be able to enjoy. (something for every one). We are grateful to the great writers that penned the tunes and the Great Nashville pickers that worked on this project. TOMMY BOYLES GRANITE RECORDS AS we were in the final preparations to record this CD I received the news that JOHNNY CASH had passed away. Having met Johnny on several occasions I felt we should add a tribute to this great man. I promptly called my friend song writer (FRED OWEN) and explained what I would like to include in the song. Fred called me back the same day and sang it over the phone to me. I decided then to record the song, (MAN IN BLACK) After reviewing all the songs on the CD we decided (MAN IN BLACK) would be the first single released from the album. I dedicate this album, To All the country music fan's around the world Thank you for taking a few moments to review this CD . JERRY LINDSEY We recently received word that the song (MAN IN BLACK) has been accepted by Fox productions and is under consideration to be included as part of the sound track. For the new Johnny
