

# Mp3 John Safranko - Here At The August Moon

[DOWNLOAD HERE](#)

A country-folk styled cd from a northeastern U.S artist. 14 MP3 Songs POP: Folky Pop, FOLK: Folk Pop  
Details: This is the seventh release from the artist. This one has a unique country-folk flavor, unlike any of his previous releases. This release features twelve original songs, plus one co-written by the artist and his brother Mark (the novelist, playwright and short-story author) and one cover- "I've grown accustomed to her face". John is a 2005 ASCAP Award winner.
