Johnny's second album of romantic piano favorites...they're ALL beautiful...listen to a few on us...then buy.. 11 MP3 Songs JAZZ: Smooth Jazz, POP: Piano Details: MY ROMANCE is Johnny's second CD. It is a romantic mix of well-known standards and movie themes. Johnny began playing the piano at the age of two. At sixteen, he became a studio musician, and at the ripe old age of twenty devoted most of his time performing in Beverly Hills clubs and playing the Vegas circuit as well. His style has been compared to Yanni, Liberace, and John Tesh. Johnny records exclusively on the Kohler KD-140 Digital Grand Ensemble (a full sized electronic grand piano). This instrument is fully capable of producing ALL of the sounds you hear on this CD, with no multiple recording needed. Please enjoy Johnny's latest release, as well as his first best-selling album, "An Evening At Johnny's".
