New York style blistering guitar driven punk rock n roll with a sense of humor 13 MP3 Songs ROCK: Punk, ROCK: Surf Rock Details: WHAT IS JONES CRUSHER? JONES CRUSHER is a confident and creative original three piece garage/punk band from New York, with a strong appreciation of underground music. Combining a unique blend of hard driving punk and a touch of theatrics, with classic rock and a variety of other other musical genres - what they like to call punk rock-n-roll. The three members have a love and respect for indie and punk music, as well as classic and cult rock, which all adds up to an inspired sound. WHO IS JONES CRUSHER? All three members are from New York and have played in original, experienced bands, that have performed throughout the New York area. Sean Sanders who sings lead vocals and Danny Heltz who plays drums grew up together in Bethpage, New York (Long Island). Gerry Giacalone is new on bass, formerly of Not Saved and Splinterface he now completes the punk triad known as JONES CRUSHER!!! WHERE IS JONES CRUSHER? JONES CRUSHER has played just about everywhere! NYC hotspots like CBGB's, the Continental, the Spiral and Long Island venues like the Village Pub, Mr Beerys, Ground Zero, and Wrong Way Inn. They have also toured up and down the East Coast from Boston MA to Passaic NJ to Johnson City TN, to North Carolina. Including in studios at 90.1 WUSB and 88.1 WCWP and in-store performances at CD Warehouse! They will come to YOU next!
