Lucky Overton plays a soulful blend of Americana, Alternative Country and American roots music. 6 MP3 Songs COUNTRY: Country Folk, ROCK: Americana Details: Flagstaff singer/songwriter Lucky Overton performs a mixture of alternative country and Americana that is mostly influenced by 60's and 70's country, rock and R&B. Lucky Overtons music has been compared to acts such as John Prine and The Rolling Stones to Ray Charles and Otis Redding. The result is a sound can only be described as Soulful Americana. Lucky Overton's debut CD, The Portland Sessions-EP is a collection of powerful original acoustic material. The ever present raw emotion of each song is both clear and honest. Soulful Americana! Its like driving through the desert at midnight with no headlights and disappearing into the distant rhythm of heartbreak, hope and desperation. I am the bastard son of Graham Parsons and Aretha Franklin. Im Ray Charles with a guitar in a country bar. Im soulful, Im white, and Im Dylan doing nothing but Nashville Skyline. Its the music that makes you feel like Sam Cook, Hank Williams and Otis Redding are still alive. -Lucky Overton For more Lucky Overton music, performances and booking information, please go to myspace.com/luckyomusic or e-mail us at luckyomusic@yahoo.com
