Pop Crossover R&B, New Thought, Hip Devotional 10 MP3 Songs NEW AGE: Spiritual, URBAN/R&B: R&B Pop Crossover Details: On her debut CD, Maria Cristina has produced and arranged ten divinely inspired songs as well as having written nine of them. She has created an innovative style from world rhythms to R&B, singing with a love that inspires deep devotion. Maria Cristinas got a sweetness and purity that shines through on her debut album Amma. Her R&B/pop style combined with the traditional form of kirtan on her tracks Lali Lali and Hari Karunamayi is fresh and unique. The album is largely new thought musicspiritual uplifting songs to inspire. What I like about the 2 kirtan tracks on the album is that they are very accessible--making even those unfamiliar with the chant music scene more likely to take a listen and even find themselves humming along to her catchy melodies. The massively talented Benjy Wertheimer adds esraj and tablas to Lali Lali and takes that song to the next level. I look forward to more music from this talented singer/songwriter.
