A melting pot of musical styles. We figure since our forefathers were kicked out of their countries, we'd go back to our roots for a little bit of hillbilly alchemy. 18 MP3 Songs FOLK: Free-folk, BLUES: Jazzy Blues  
Details: This is a sweet collection of many different styles of music with a fresh take on each. Since our forefathers got us kicked out of their own countries prior to our existence, we figured we'd turn back time and relive those musically rebellious years with some improv. These songs were recorded live. Just jammin at the underground house the owner of ina studios lives at.
