Agressive modern hardcore/metal band with high energy. 13 MP3 Songs METAL: Metalcore, ROCK: Hard Rock Details: Born in the fall of 2003, Of the Son is primed to become a driving force in today's music industry. Since day one, these 4 Indiana musicians have been focused on constant improvement and perfection of their musical style and direction. Of the Son boasts an aggressive approach to their musicianship. Mediocrity is not an option. OTS is further complemented by an unstoppable live energy. Since their first show in the spring of 2003, OTS fans have been privileged to witness the unmatched presence and force that OTS brings to the stage. Of the Son is committed to maintain their intensity through aggressive modern hardcore music; channeling their energy into a bone crushing performance every time they hit the stage. Above all else, the mission of this band is that everyone will hear in their music, the message of Jesus Christ. Struggling to bring the light of the gospel into the darkness that is mostly characteristic of today's metal scene, OTS puts a strong faith at the forefront of all their endeavors. Of the Son will continue to bring the truth to anyone who will listen.
