Details: Coming Home is a journey that evokes a sense of exploration into the cycles of life, weaving poetic lyrical and instrumental tapestries with organic world instruments. In this first full length album release, Urban Nature beautifully performs on a variety of instruments including bamboo and Native American flutes, guitar, voice, tabla, sarod, zither, slot drum, jaw harp, Urban Nature is a collaborative musical project that brings together cultures and traditions from around the world, educating and enriching the lives of people through music. UN offers experiential concerts, workshops, live music for Yoga, lessons, recordings, and sound healings. We perform at a diverse selection of venues including festivals, concert halls, yoga studios, healing/retreat centers, destination resorts, hospitals, schools, and small theaters. Our goal is to use intentional sound and music to promote well being for individuals and create harmony in our communities. Urban Nature, founded by Todd Boston and Ramesh Kannan, has produced and released a self entitled EP and are currently preparing for the release of a full-length album in 2008 titled Coming Home. UN represents a combined 40 years of education in various musical disciplines as well as 25 years of experience as performers and teachers of music. This foundation gives Urban Nature the capability to tailor a performance to meet the needs of each unique setting. People who are interested in Michael Hedges Bla Fleck Ali Akbar Khan should consider this download.
