Thomascows version of "Puff, the Magic Dragon" it is a song based on a 1959 poem by Leonard Lipton, a nineteen year old Cornell student. Lipton passed his poem on to friend Peter Yarrow, who created music and more lyrics to make the poem into the song. In 1961, Yarrow joined Paul Stookey and Mary Travers to form Peter, Paul and Mary. The group included the song into their live performances before recording it in 1962; their 1962 recording of "Puff" reached number 2 on the Billboard Hot 100 chart in early 1963.

This song also spent two weeks atop the Billboard easy listening chart that same year. Enjoy
