Scroll Pops Generator Currently Creates 10 Different Styles of Scroll Pops to Choose from: Scroll Pops and Examples Cover Window ScrollPops - Looks and functions similar to other Pop-Up windows except instead of opening in a separate window, they open over the web page within an iframe. Does Not Get Blocked by Popup Blockers. Dialog Window ScrollPops - Looks and functions similar to other Pop-Up windows except instead of opening in a separate window, they open in a Dialog Window. Renders Action from the Visitor. Does Not Get Blocked by Popup Blockers. PopUp Window ScrollPops - This is your typical popup or pop-under that opens in a separate window. It does however get Blocked by Popup Blockers. Full Window ScrollPops - This is your typical popup with all the Attributes such as Title Bar, Status that opens in a separate window. It does however get Blocked by Popup Blockers. Confirm Window ScrollPops - Confirm Windows Command Attention by requiring visitors to either accept your offer (by clicking the OK button) or decline your offer (by clicking the Cancel Button). Whenever someone clicks the OK button, the URL of your Choice will load in either a separate window or the current window. Subscribe Window ScrollPops - Subscribe Windows Command Attention by requiring visitors to either accept your offer (by clicking the OK button) or decline your offer (by clicking the Cancel Button). Whenever someone clicks the OK button, the visitors default email client will send an email message addressed to your Subscribe Email Address. The From email address in the subscribe message will be whatever the person has in his/her email software settings. Mail Window ScrollPops - Mail Windows Command Attention by requiring visitors to either accept your offer (by clicking the OK button) or decline your offer (by clicking the Cancel Button). Whenever someone clicks the OK button, the visitors default email client will load a New Mail window pre-filled with the recipient(s), subject line, and message body of your choice. Then the visitor simply clicks Send to send the message to the recipient(s). If you have the form pre-filled with your Subscribe

Email Address as the recipient, the person can easily subscribe to your list by just clicking the Send button since the form is already pre-filled. In addition to using Mail Windows to build your opt-in email list, you can also use them as Tell-A-Friend forms. Simply prefill the form with a site recommendation message and your sites URL then leave the recipient field blank so the person can enter their friends email addresses. BookMark Window ScrollPops - Bookmark Windows command attention by requiring visitors to either agree to bookmark your site (by clicking the OK button) or decline (by clicking the Cancel button). Whenever someone clicks the OK button, the Add To Favorites window will open. Then the person simply clicks OK to bookmark your site. You can include any text of your choice in the Bookmark Window. Home Page Window ScrollPops - Home Page Windows command attention by requiring visitors to either agree to set your site as their Home Page (by clicking the OK button) or decline (by clicking the Cancel button). Whenever someone clicks the OK button, the Would you like to set your Home Page to... window will open. Then the person simply clicks OK to instantly set your site as his/her Home Page. Alert Window ScrollPops - Alert Windows command attention by requiring visitors to view a text message of your choice before they can do any other tasks on the current page. They must click the OK button to close the Alert Window. Alert Windows are a great way to notify your visitors of important information, reinforce and highlight important messages, encourage people to take action, or simply to display any text message that you want them to read at that particular point of the page. Plus the person having to click OK sort of implies that they agree with whatever is in your text message (since after they read the message, they answer by clicking OK). For example, you could insert a message saying... Dont miss out on this super deal. Order now before its too late! Then when they click the OK button to close the Alert Window, it can subconsciously and hypnotically make them feel like theyre agreeing to order your product and may make them more likely to do so. Scroll Pops Powerful and Sophisticated Technology Can Boost Your Websites Performance. The Only skill required on your part is the ability to Copy and Paste text using simple instructions giving within the software. You can Build Virtually ANY Scroll Pop you want in Just Seconds. With this type of technology you will be able to unleash a hidden fortune within your web page(s). So Dont Put it off. Download ScrollPops Generator right now and get started with minutes.
