

# Speaking Of Jesus: The Art Of Not-evangelism - Carl Medearis

Some of us fear moments when we need to defend our theology. Some of us seek them out. But we are seldom ready the way Jesus seemed to be ready. So how do we draw others to God in the midst of these ordinary conversations the way Jesus did? In Speaking of Jesus, Carl Medearis draws on his experience of international reconciliation between Muslims and Christians to remind us of the heart of the matter: Jesus. Here he gives us tools, stories, and the foundation we need to move beyond us and them and simply talk about the One who changes it all. As Carl writes, While others are explaining and defending various isms and ologies were simply pointing people to our friend. The one who uncovers and disarms. Who leads people right to himself. The beginning and the end of the story. A good story indeed. Author: Medearis, Carl Publisher: David C.
