There were two ways by which one could get to the Old Stone Mill. One, from the sideroad by a lane which, edged with grassy, flower-decked banks, wound between snake fences, along which straggled irregular clumps of hazel and blue beech, dogwood and thorn bushes, and beyond which stretched on one side fields of grain just heading out this bright June morning, and on the other side a long strip of hay fields of mixed timothy and red clover, generous of colour and perfume, which ran along the snake fence till it came to a potato patch which, in turn, led to an orchard where the lane began to drop down to the Mill valley. At the crest of the hill travellers with even the merest embryonic aesthetic taste were forced to pause. For there the valley with its sweet loveliness lay in full view before them. Far away to the right, out of an angle in the woods, ran the Mill Creek to fill the pond which brimmed gleaming to the green bank of the dam. Beyond the pond a sloping grassy sward showed green under an open beech and maple woods. On the hither side of the pond an orchard ran down hill to the water's edge, and at the nearer corner of the dam, among a clump of ancient willows, stood the Old Stone Mill, with house attached, and across the mill yard the shed and barn, all neat as a tidy housewife's kitchen. Author: Connor, Ralph
