In Bigotry and Intolerance: The Ultimate Teen Guide, Kathlyn Gay looks at the various reasons why people of all age levels and backgrounds feel the need to disparage others. This book also offers help to teens who are the object of fear and hatred by showing them how to combat such behavior. Aimed at young adults who are interested in fighting bigotry and intolerance, this book will help teens who suffer from the small-mindedness of others. It might also help those who are less tolerant find some common ground with those who are different from them and lead to a better understanding of how diversity makes for a richer, more interesting world.
