

George Washington's Military Genius - Dave Richard Palmer

[DOWNLOAD HERE](#)

George Washington's military strategy has been called bumbling at worst and brilliant at best. So which is it? Was George Washington a strategic genius or just lucky? So asks Dave R. Palmer in his new book, George Washington's Military Genius. An updated edition of Palmer's earlier work, The Way of the Fox, George Washington's Military Genius breaks down the American Revolution into four phases and analyzes Washington's strategy during each phase. "The British did not have to lose; the patriots did not have to triumph," writes Palmer as he proves without a doubt that Washington's continuously-changing military tactics were deliberate, strategic responses to the various phases of the war, not because he lacked a plan of action. Confronting the critics who say Washington's battlefield success and ultimate victories were a function of luck, George Washington's Military Genius proves why the father of our country also deserves the title of America's preeminent strategist. Author: Palmer, Dave Richard Publisher: Regnery History Illustration: N Language: ENG Title: George Washington's Military Genius Pages: 00320 (Encrypted EPUB) On Sale: 2012-05-28 SKU-13/ISBN: 9781596987913 Category: History : United States - Revolutionary War
