the truth... when there's no place left to go, and you learn the truth about yourself, come fuck with the orphanage. we got love for you. we got a page for you in our story. 13 MP3 Songs HIP HOP/RAP: Rap, URBAN/R&B: R&B Rap mix Details: .Now, Who or what is Beans'N'Apples? Well, before we can talk about Beans'N'Apples, we have to talk about Da Orphanage. It started in Boston, MA. "The Bean". The brainchild of Chi aka The Asian Demon, and his brothers Thu, and Hoota . Da Orphanage is more than a record company, or a business. It's a family. It's a home for those who can't find no love. The ones who never had love. When you come to Da Orphanage you know you belong here. We got love for you. We got a page for you in our story. In these times, Da Orphanage is growing day by day. Beans'N'Apples? We got a story to tell! Our story is no different from any other ghetto story, but that part of the point to this CD. We want to show other brothers, who are just like us, what you can accomplish when you get 9 or 10 people together and GRIND!! . When everyone is on the same page, and you willing to sacrifice and put your differences aside for the team, we can accomplish beautiful things! We started with nothing. Just an idea, determination, and DESIRE! When we began recording this record, there were dudes who had life and death beefs with each other, literally! They squashed all of that negativity to the point where now we all sleeping on blo-up beads, in the basement for 3 and 4 days straight, no sunlight!, wearing the same clothes, GRINDIN!! . All for the sake of spittin verses on this Beans'N'Apples shit, cause what we are striving for, the things we want to accomplish together is more important. More important than life....and death. When you thinking, and seeing things on that level.....YOU GON GROW! So, Beans'N'Apples, the CD titled "Come Fuck Wit Us!" is the first of many releases to come from Da Orphanage. Beans'N'Apples is what you get when you take 6 of the realest emcees from Boston. The resulting product, well, the best way to describe it in one word "Truth". The songs are all true to who we are. When you listen to the music

you are experiencing 7 souls expressing themselves in 13 different combinations, thus, 13 cuts
