East Coast flavor with a southern smoothness; this album is one that you definitely need to check out, with every thang from hood anthems to club bangers. 18 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: Yo America it's ya boy Da Luga born Demetrius Swilling on Dec. 17, 1980 this southern breed emcee does more than just get you crunk, he's really a lyrical phenomenon so just take time to walk in this young dudes old schools. Whats up people it's me Da Luga I'm from Anderson S.C. and I've been rapping since I was 7 my favorite artist are biggie, jay z and nas. I think that my style has an east coast flavor with a southern smoothness. I have recorded one underground album entitled I Got Flow. I think that the cd is one that you can listen to from beginning to end with clever lines like "don't get it twisted/ when I spitted/ cause I'm ill wit a sentence/ da rap menace/ who got 2 fingers for da critics/ been gone 4 a minute but I still can bust/ almost like I been in jail cause I write so much." What I enjoy most about music is that when I make a song it doesn't only relate to me but it also relates to some kid out there caught up in the same struggles that I am. What I hope to accomplish most with music is to show people that real hip-hop is still alive and kicking whether it is in the north, south are the west. I'm currently working on my new album Da People's Champ scheduled to drop early summer "04" and this album is going to be a banger a must have for music lovers everywhere. So continue to be on the lookout for your boy and all the projects that I may be working on in the future signing off is yours truly Da Luga.
