

# Mp3 Eddie Saylor - When I Woke Up

[DOWNLOAD HERE](#)

Blends of "Folk-Blues" to stir your spirit, "Country-Americana" to touch your heart and "Contemporary-Praise" to lift your soul. 12 MP3 Songs COUNTRY: Country Blues, COUNTRY: Country Folk Details: THE MUSICIAN \*\*\* Eddie Saylor has been playing, singing and writing professionally since the late '70's. Primarily a guitarist and singer, he also plays a variety of instruments such as mandolin, harmonica and 12-string guitar to compliment his wide range of performing and songwriting styles. THE PERFORMER \*\*\* He has performed with such known acts as "The Byrds", "Gordon Lightfoot" and "John Hammond", playing in clubs, coffee shops, churches and concert halls across the United States. From finger-picking, harmonica-filled, acoustic blues and foot-stomping rock-a-billy to contemporary gospel and soothing ballads, his unique vocal styles and expert guitar work combine for a surprisingly diverse and powerful solo-act. Whether the setting is a small, showcase atmosphere or a full-blown concert venue, he is capable of capturing, stirring and entertaining audiences beyond expectations. THE SONGWRITER \*\*\* Writing literally hundreds of songs in a variety of genres over the years, Eddie currently writes, records and produces in his home-studio setting, constantly churning out new material and re-writing older material with renewed inspiration. He writes in a variety of genres ranging from Rock and Country to Americana and Contemporary Christian... "In days of old when we were young and sittin' by a tree, we used to dream of havin' fun and things that once could be".
