a collision between the simple songs of folk and the intensity of alternative. 7 MP3 Songs FOLK: Modern Folk, POP: Folky Pop Details: A tiny island sleeping off the coast of Cape Cod, Martha's Vineyard has long been known for its artists. It may be time to add another to the list. A duo formed on this creative sanctuary, far beyond frail effortlessly balances music and art, poetry and sound. By blending the simple songs of folk with the intensity of alternative, they are proving to be one of the reasons we abandon mainstream music, heading underground in search of the next big thing. With the release of their latest, much anticipated EP A girl, almost..., far beyond frail is demonstrating that they may be one of a handful of "up-and-coming" bands that are worth the hype. A staggering collection of songs, sung by a voice that simply needs to be heard to be believed, A girl, almost... has critics saying, "Painfully touching...this is a very classy record."
