A new sound for Contemporary Christian/Rock. Strong vocals and lyrics that challenge and motivate the listener to become the Church instead of just going to one. 12 MP3 Songs GOSPEL: Contemporary Gospel, POP: Today's Top 40 Details: SEED is the debut album of Henry Conner. His songs are about real life and real people. Songs of trouble and success. Songs of desperation and songs of hope. Henry says "Many Christian songwriters forget that people in the real world need to know that Christians walk in the same places that they walk, but have found an answer that can heal their hearts". SEED draws you in from the very first song and then pulls you all the way to the end, leaving you ready to take your place in the kingdom. It's full of subtle style changes, while staying true to its fundamental rock foundation. Seed is an album that no matter where you are in your walk with God, you can find something that will speak to you.
