

Mp3 Katus - Live At Solfest 2007

[DOWNLOAD HERE](#)

World folk that dances at you. 12 MP3 Songs in this album (48:42) ! Related styles: FOLK: Free-folk, FOLK: Anti-Folk Details: "This is one of the most original and captivating recordings i've heard in a long time. Katus should be nurtured and encouraged to grow! She is an important and necessary compound for a genre so often overlooked dismissed by today's predominantly rock &roll environment! This is folk music with its creative spirit intact!" Music News Scotland Its world folk music that dances at you! her debut album "Smile is one of the most refreshing pieces of originality substance that you're ever likely to hear It loses none of its qualities when she's singing it live. Her voice has verve, charm is undeniably sexy sometimes. "I can't believe she sings through her flute - truly amazing- She can sing. She can play. She's gorgeous. She'll make it" - Nigel Kennedy "I have never seen a better female guitarist and that includes Bonnie Rait, Chrissie Hynds and Joni M." Silverwood Studios Katus has been taking audiences across the World by storm, singing her songs in English,Czech, French,Gaellic,Bulgarian,Russian and elfish. She's toured Croatia,Bosnia, The Czech Republic, Ireland, France , New Zealand and the USA. She sings in many tongues from Czech to English, and sings Gaellic through her flute. She was the subject of a French TV documentary. She played Glastonbury and headlined at Solfest. She has entertained- playing her guitar and flute, woo-ing audiences and leaving them hankering for more. " I think we will see a lot more of her at the festivals. She is a dynamic international folk-based songstress" Big Green Gathering
