A collision of rock roll at a rave that sneaks into an all day stadium show. 17 MP3 Songs ELECTRONIC: Folktronic, METAL/PUNK: Post-Punk Show all album songs: Affordable Audio Healthcare Songs Details: A new L.P. from the Chicago based band. Featuring a collision of rock roll at a rave that sneaks into an all day stadium show. Band members Stennis Milkafinch, Junior and Don Toearth have many different styles of music they enjoy and have consolidated them in this album. Affordable Audio Healthcare brings you up down, side to side but only goes as slow as the tempo of your heart. Two of the tracks on the album won Los Angeles Music Awards in 2006. The Clear winner of male experimental Singer/songwriter of the year. Also No Bugs in my Face winner of male industrial singer/songwriter of the year. Another song All 4 1 1 4 all on the album was nominated in industrial. model Rocket Scientist formed in 2005 by Stennis and he brought aboard a one man band called Junior and singer/songwriter Don Toearth to make up the current line up of model Rocket Scientist being loosely a 3 piece band. This is the bands first large scale release of an L.P. but second L.P., the first being a picture disc Songs for Traveling to Places and was limited to 100 copies and a theme of it being a lo-fi adventure. Affordable Audio Healthcare was recorded, produced and mastered by the band in the model Rocket Scientist headquarters known as the Garagelab.
