

Mp3 Patrick Ki - Heart Music And Art

[DOWNLOAD HERE](#)

A soothing and relaxing collection of instrumental acoustic guitar music by jazz/slack-key artist Patrick Ki, featuring a stylish mixture of modern chart-topping hits and classic standards. 12 MP3 Songs EASY LISTENING: Adult contemporary, EASY LISTENING: Background Music Details: Heart Music and Art was Patrick Ki's second CD release, and it featured a noteworthy evolution in the artistic direction of this unique instrumental guitarist. While his previous debut album, *Secrets of Mens Hearts*, focused on Patrick's original compositions, *Heart Music and Art* explored new territory by featuring a remarkable collection of popular songs and jazz standards. With its eclectic mix of time-proven classics and more current adult-contemporary favorites, *Heart Music* exemplifies the musical versatility that has become an appealing quality to all of Patrick's recordings. With songs by legendary composers like George Gershwin (*Someone to Watch Over Me*) and Cole Porter (*True Love*), along with modern chart-topping hits like *Tears in Heaven* by Eric Clapton, and *Right Here Waiting* by Richard Marx, the range of material chosen for *Heart Music* appeals to a wide spectrum of listeners. Patrick also included an exquisite original piece entitled *Lahtea*, as well as several outstanding film soundtracks such as *Somewhere Out There*, *Beauty and the Beast*, and *Have You Ever Loved A Woman* as the finishing touches on this surprising diverse and aesthetically pleasing recording. Upon hearing *Heart Music*, the depth of this talented artist's natural ability becomes immediately apparent. Drawing upon a wide array of influences, Patrick's signature sound stems from an unusual combination of formal music training (with classical guitar studies at the University of Hawaii, a diploma from the Guitar Institute of Technology in Los Angeles, and a B.A. in jazz guitar from the Berklee College of Music in Boston) and the subtle yet undeniable influence of the Hawaiian slack-key guitar. Nearly a decade later after its initial release, *Heart, Music and Art* still remains as one of Patrick's most popular albums; this smooth collection has become a classic that continues to delight fans of

beautiful acoustic guitar music! ***** If you appreciate the soothing and relaxing style of Heart Music and Art, please check out its two companion albums: Path of Romance and Journey Into Paradise complete Patricks trio of best sellers and share the same smooth sound and concept!
