[DOWNLOAD HERE](#)

From the Bottom of the trap Survival Records brings to the world "Get Your Weight Up" the mixtape. Sean Gates and newest signee to the label RedRum delivering raw and uncut music to the masses of listeners still looking for that pure southern hip hop.. 23 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hardcore Rap Details: Survival Records brings to the world "Get Your Weight Up" the mixtape featuring Sean Gates and newest signee to the label RedRum. Coming off two highly successful solo mixtapes and a top southern album "DurtY Slang, Sean Gates is at it again with another classic for the streets. This time he has teamed up with the newest acquisition to the Survival Records camp, RedRum. RedRum is from the Island Boi Cartel(IBC) out of Bradenton Florida. Following the success of two compilation albums and his debut solo album "Welcome to Hell" , RedRum has packed up his talent and fan base and teamed up Survival Records to distribute his Flatline Entertainment imprint. This mixtape is loaded with raw and uncut freestyles, original material and explosive features. Sean Gates and RedRum runs over some of todays top industry production to give the masses of listeners their interpretation of how to survive into todays society. Tracks ranging from intellectual, day to day activities, deep southern rooted songs and that in your face, its whatever attitude. Over 60 minutes of non stop good music that everybody from whatever part of the nation and world can relate too. "Get Your Weight Up" is more than just bragging or boasting, saying I got it and you don't : but more of if you going to do it, do it on a whole other level. Don't be complacent in the world, step it up or better yet "Get Your Weight Up". Do like nobody else has done it before!!
