Drama discusses the "hood" crack heads smoking rock on the block, bullets flying, lack of economy and gang violence corrupting our school systems. " F* around Got knocked up, wont help me out." Her follow up joint Ghetto Girl banged hot in the streets as she discusses a good girl gone bad who's smart but just not thinking the choices she's making upsets her cause she knows the girl can do better. She dressed real fly but taking care of some dude and not her kids. The mother is a fiend and she leaves the kids with her to be out in the streets that aint no good for her or her children."
