

Mp3 Terry Dame's Electric Junkyard Gamelan - Electric Junkyard Gamelan

[DOWNLOAD HERE](#)

Original music inspired by traditional Indonesian Gamelan performed on invented instruments. 8 MP3 Songs WORLD: World Fusion, METAL: Alternative Metal Details: Electric Junkyard Gamelan performs original music on invented instruments. Drawing inspiration from traditional Indonesian Gamelan, Electric Junkyard Gamelan combines complex rhythmic patterns with soaring melodic lines all filtered through the unique voice of composer Terry Dame. Performing on invented instruments such as the Rubarp (a electric rubber band harp), the Sitello (an electric cello/sitar combo), the Terraphone (a copper pipe reed horn), tuned glasses, a four octave clay pot "marimba", the filter drum and an arsenal of percussion instruments fashioned from truck springs, turntable platters, metal coffee filters, hubcaps pots and pans they define a new genre of metal music. This group will take you on an unforgettable musical odyssey.
