The second album by the megapop band The Fore is a mixture of raw, driving rock-and-roll sprinkled with some of the most beautiful ballads in the musical universe. If you like The Beatles, you will love The Fore. 15 MP3 Songs in this album (34:47) ! Related styles: POP: Pop/Rock, POP: Merseybeat People who are interested in The Beatles The Kinks The Byrds should consider this download. Details: Where their debut album Black and White, took us to a world of pure rock excitement, this one explores that world with a musical progression thats gonna put your entire system into overdrive! And, through it all, youve still got the inimitable style that the band is famous fore! TRACKLIST FROM RUN AND HIDE (with notes) FORGIVE AND FORGET This upbeat rocker has a vocal hook that I dare ya to try and get outta yer head! WE WERE MEANT TO BE Like your music flavored with a bit of the Motown dance sound of the early 60s? Youve got it, mixed with some solid, Bo Diddley-style rock in the bridge. HAVE ME BACK AGAIN A solid mover with the lads signature harmony sprinkled liberally throughout! SEND MY LOVE TO YOU Sung by drummer Simon Thompson, this folk-rocker is already a fave among some of our servicemen overseas! Great arrangement and strong acoustic rhythm adds to the beauty of this ballad. YOUVE GOT TO CHOOSE Sometimes, if a guys got a rival for his girls heart, hes gotta confront her about the situation; thats what this songs all about. A strong piano helps build this melodic mover (and waitll ya hear the chorus!). RUN AND HIDE This thriller starts with a sharp attack and pointed lyrics, warning the cheating girl to run and hide. The bridge builds tremendous suspense, as does the last of the track (with Si and Matt creating a dark, chase-type backing that would sound great on a spy flick! RUMOURS AND LIES Its every teenaged boys plea to his girl: Dont listen to the rumours and lies that might take your love away. This slower number has a great calypso-style rhythm and lyrics that aim straight for the heart. THATS A LIE Imagine the ultimate rock song, with Everly-style harmony,

rockabilly-style guitar, great progressive arrangement and upbeat tempo. Thats whatcha got here! (Oh, yeah theres a hook in the chorus thats innovative: As Matt and Spencer sing then Ill put you down, the tempo slows in sync with the words then builds back up at the words Im tellin you now.) ITS YOU GIRL Merseybeat at its finest! Fantastic harmony with a great guitar bridge! LAZY DAY A breezy, summertime song with a great hook and warm, inventive vocals. Again, a strong piano only adds to a song thats as refreshing as iced tea on a hot July day! LEAVE ME ALONE Have you ever had someone break up with you, just to find them calling or trying to get you back? Thats the premise of this song. In the chorus, you can feel Spencer confronting his ex while feeling the heartache of having to speak with her again. NO OTHER LOVE A slower, heartfelt, harmonic melody with minimal instruments and great lyrics. TELL YOUR FRIEND A throwback to the Invasion bands Hamburg/Star Club days, this is an amazing, raw, in-your-face rocker, with the Chuck Berry 4/4 rhythm, clappers and all! And waitll you hear Matts guitar solo! EMMA It starts darkly with a quasi-flamenco beat, and when Spencer gets to the mic and starts singing to Emma about her leaving, you can actually feel his pain! Coupled with Sis drum fill and Matts stirring acoustic 12-string, its one amazing song!! AINT THAT JUST FINE An upbeat song built strongly around the rhythm, it deals with the singers happy-go-lucky independence. Lyrics like, Dont walk like a rich man, but I got all that I need and Im not the kind of guy to settle down flavour a tune thats great to have in yer cars CD player as youre hittin the open road! All told, Ive gotta give this CD an EAGLE-SIZED, five-star thumbs up rating! Now, Ive been in the biz for over 30 years, and this album, while released independently, is one of the best Ive heard in years! If I were you, Id order Run and Hide today, and start rockin with some serious inner energy tomorrow!! : Music Bender The Fore are :- Nathan Persad : Rhythm guitar Matt Hardy : Lead guitar Simon Thompson : Drums Spencer Hannabuss : Bass guitar
