The emotional lovechild of Bruce Springsteen and Coldplay. 4 MP3 Songs in this album (13:06) ! Related styles: POP: Dream Pop, POP: Beatles-pop People who are interested in The Beatles Bruce Springsteen Coldplay should consider this download. Details: The Glorious stand out like a beacon in a world of disposable trends and over-hyped bands. There is an intangible sense of the real about this Melbourne-based group, an authenticity that can't be faked. The band takes shape in the haunting melodies and lush atmospheres of David Jon Mather's songs, which are loaded with a potent emotional immediacy while maintaining a classic essence, a compelling sense of timelessness. A shared experience of turbulent, chaotic personal circumstances and a mutual love for the classic bands of the 60s and 70s have drawn this band together with the kind of glue that gives a depth and meaning to what they do. The Glorious announced their arrival in _____ with the release of their self-titled EP, featuring lead single 'I Wake Up'. They are currently in the final stages of recording their debut album with renowned producer Julian Mendelsohn. Expect a full dose of this band soon.
