

# Mp3 The New Groove Orchestra - Illharmonic

[DOWNLOAD HERE](#)

The New Groove Orchestra is a young and hip 10-piece funk band that embraces the old-school R&B style and performs with the energy of a rock band combined with jazz musicality. 10 MP3 Songs

URBAN/R&B: Funk, URBAN/R&B: Soul Show all album songs: Illharmonic Songs Details: The New Groove Orchestra is a young, hip Montreal band that pumps out funky music at its unforgettable shows. The band features a unique instrumentation, which includes a tight 5-piece horn section and soulful female vocals. In a live setting, the Orchestra has become known for its spontaneity, incorporating improvised jams and extended solo sections. The New Groove Orchestra is very active in the Montreal scene, and has just released their first full-length album, illharmonic.
