Hammered Dulcimer instrumentals from Appalachia to Zurich, all done with a traditional bent. High energy, high quality, low in noise pollution. Fun for all. 13 MP3 Songs WORLD: World Traditions, WORLD: Celtic Details: I have been a banjo player for 30 years now and am finally getting the hang of it. The hammered dulcimer has been a love of mine for the past 20 or so years. With the two of them, I have had the opportunity to travel most of the US and journey to 15 different countries. As a solo performer I have played weddings, funerals, concerts in schools, libraries, coffeehouses, concert halls, town greens and corporate gatherings. I would be hard pressed to think of a venue that I haven't seen
