High energy sunshine pop from the future. 6 MP3 Songs POP: Sunshine Pop, ELECTRONIC: Alternative Dance Details: Raised in Southern California by way of New Jersey finally ending up in Salt Lake TS Hartley started writing music at about 12. He joined and played bass in his first band at 13 and started recording music at 15. Claims he finally learned how to write a song at about 20. Giallo is a mix of all of his favorite music filtered through his own unique world view and style. With influences ranging from Tom Waits to Gwen Stefani, the Beatles to Busta Rhymes, Led Zeppelin to Bjork, TSs music manages to reflect all his favorite styles while still managing to sound completely new and original. While TSs earlier music was primarily about experimentation and finding strange sounds and instruments, the new album reflects a more focused vision. The anything goes nature of the music is intact while still appealing to the straightforward bubblegum pop lover in us all. These songs are like time travelers, picking up the best bits of pop from each decade and maybe even a little bit of the future. With the help of producer Giles Reaves, TS Hartley has put together an album of songs that will take you on a crazy musical carnival ride. With sunshine guitars, sing along lyrics, hypnotic synths, dance floor beats and childlike enthusiasm this album will make you smile AND make you think. People who are interested in Beck Fischerspooner Gnarl Barkley should consider this download.
