The lyrics are right up to date though and the sidemen are world class. 11 MP3 Songs in this album (43:29) ! Related styles: POP: Folk Pop, BLUES: Jazzy Blues People who are interested in Tom Waits Randy Newman Lyle Lovett should consider this download. Details: Victor Anthony* plays old-school folk music Southern style. The set list is never the same, but you can expect bluesy originals, obscure trad numbers from his native Tennessee, and rootsy pages from the American songbook. The one thing you can take to the bank is that every song will be delivered with soul nothing fancy, just the facts and a bagful of juicy chords. A fulltime musician since 1985, hes played in 48 of the 50 states, across the pond, and now hes taking on British Columbia from his new home in the Gulf Islands, where he lives with his wife, Jolle. His three CDs have received rave reviews, international attention, and lots of North American airplay. Theres a new recording in the works too, so stay tuned! *Victor Anthonys previous CDs (Personal Mercury, Hush Money and Skinnybones) were released under the name Victor Mecsyste.
