Every day, thousands of people are discharged from hospitals. While relieved to be going home, they are often frightened and insecure about caring for themselves at home. How the hospital manages follow up can make a world of difference in spotting adverse reactions, quelling fears, and providing appropriate direction. Adverse conditions can lead to costly readmissions that hurt the bottom line and dissatisfied consumers who can hurt the hospitals reputation. You Make the Call presents a solid case for a post-discharge call system to improve clinical outcomes and improve the patient experience. This book provides the rationale and key steps for launching a post-discharge follow-up call process.
