

A Hopeless Dark Rose - Conan McPhee

Follow the adventures of Simon Turkle, a government investigator in a fantasy world comprised of two vast and conflicting continents. The style and social strata of this world is similar to our own in the early Victorian era, although there are certain technological differences brought about by a relatively small population and vast natural resources. One continent is Republican, while the other which Turkle serves is Monarchist. The author paints on a canvas with dark colors that will remind you of Blade Runner and 1999. This is a dark fantasy and an alternate history all rolled up in one! Author: McPhee, Conan
