A SMART, BACK-TO-BASICS APPROACH FOR GENERATING INVESTMENT RETURNS IN TO DAYS TURBULENT MARKETS

Abnormal Returns seeks to demystify investment strategies and help investors find the path that is right for them, and, in so doing, should help investors succeed on the sometimes perilous road to investment success.

JAMES P. OSHAUGHNESSY, author of What Works on Wall Street

Think of this book as a gift that will save you thousands of hours of research and maybe even more money! A true reference manual on what is important to understand as you try to make smart decisions about your investments.

CARL RICHARDS, author of The Behavior Gap

Tadas lives at the intersection between Wall Street and the Internet, on the bleeding edge of a new world of financial social leverage. If you want to know what the traders and fund managers of the postcrisis 2020 boom think, read

Tadas.

BARRY RITHOLTZ, author of Bailout Nation and founder of The Big Picture

Nowhere has this much finance wisdom ever been compiled in such a clear, concise way; the market has a new users manual!

JOSH BROWN, TheReformedBroker and author of Backstage Wall Street [Viskantas] blog has been a daily read of mine for the last four years, and in a world where trust matters, he has

mine.

HOWARD LINDZON, cofounder and CEO of StockTwits

Abnormal Returns will resonate with both traders and investors, from beginner to market wizard . . . its that good of a book.

MICHAEL MARTIN, author of The Inner Voice of Trading

Abnormal Returns is mandatory reading at our shop, and it is a daily fixture of every morning right alongside my coffee and the Wall Street Journal. Tadas aggregation and analysis has generated many new avenues for research within our company.

MEBANE FABER, CIO, Cambria Investment Management, and author of The Ivy Portfolio

Never trust an investment guru who uses phrases like the market will . . . , you must . . . , and I guarantee Because a true expert knows that there are no absolutes in markets.

Tadas Viskanta is a true expert. An experienced investor and creator of the popular blog Abnormal Returns, he understands the value of humility when it comes to investing in todays turbulent global markets. But he also knows that just because you cant control the

markets doesn't mean you can't control your own actions and in *Abnormal Returns*, he provides a solid foundation in the basic principles for taking a slow, steady, and savvy approach to your financial future. Viskanta helps you navigate your way through the post-crisis markets by developing a solid investing strategy. His simple truths are timely but have been proven effective through recent history. Sophisticated but simple to understand, *Abnormal Returns* helps you:

- Master the fundamentals of risk and return
- Become an expert on the main asset classes: equities and fixed income
- Diversify and allocate your assets to build a solid portfolio
- Understand how ETFs, alternative assets, and globalization affect how we invest
- Combat your personal behavioral patterns that lead to poor investing
- Separate the wheat from the chaff when it comes to the financial media

While the world of investing has become more complex, there has never been a better time to be an individual investor. It is now easier and cheaper to invest than ever before. This back-to-basics approach provides the tools you need for ultimate success. *Abnormal Returns* doesn't give you the latest investing trends, “
