Boost Your Conversions Without Using Rich Media Programs! This is a brand new template package - and ALL the work has been done for you - all you do is insert YOUR own copy, and add YOUR Autoresponder info. Here's exactly what you get: 3 HTML templates. High quality headers & footers. Professional audio narrated "generic" squeeze page greetings. Flash is done (and included). All media and image files are embedded and ready to go! Audios are interchangeable and in MP3 format.
